

AMAZING RACERS!

Saturday, October 7, 2017 at Centennial Park

ONE STEP CLOSER 2017 Walk & 5K

To benefit the Howard County Autism Society

AMAZING RACERS is a new component of our **One Step Closer Walk & 5K** that offers support for youth and adults with autism who may need additional supports to participate. HCAS will provide one-on-one assistance the day of the event plus the opportunity for two "training sessions" on September 23rd and 30th from 10am-11am at Centennial Park to acclimate individuals to the course and prepare them to take on our Cake Walk ¼-mile course on October 7th. We will meet for the training at the playground near Pavilion D. To guarantee support volunteers for your child, please register by Friday, September 22.

Support will be provided by Spirit Club, The Children's Spot and student volunteers from University of Maryland and Towson University. Special "Race Clues" will be located along the course to inspire our AMAZING RACERS as they make their way around the course! All racers will be recognized at the Awards Ceremony immediately following the race.

Please complete the following information about your AMAZING RACER and make sure you've also registered for the event via paper form or online at www.howard-autism.kintera.org/onestepcloser2017.
